MyTenerifeinfo, the comprehensive Tenerife information portal, has announced the launch of its new ticket office for holidaymakers and island residents looking to book excursions in Tenerife online. Already providing information, images and videos on local businesses and facilities, the online booking engine adds yet another useful tool for the website's 25,000+ monthly visitors.

The ability to book [Tenerife excursions](#) online enables holidaymakers to plan their holiday time better, safe in the knowledge that their chosen excursion or show is available on the date they require, and ensuring that their place is reserved, thus avoiding disappointment. By booking online, the user will also benefit from discounted prices, leaving more holiday money in their pocket.

With over 150 choices online, the range of excursions in Tenerife covers up-close-and-personal dolphin encounters to entry tickets for the world famous [Siam Park](#).

In addition to excursions and show tickets, the new service also allows visitors to book anything from car hire to Tenerife airport transfers; golf tee times to guided walks; and private boat charters to watersport activities, which can all be reserved and paid for before arrival.

The Tenerife excursions section is just the latest in a series of developments that has seen myTenerifeinfo.com become one of the most popular and user-friendly websites in Tenerife. It follows on from the success of the recently implemented virtual tours, which give users a 360-degree tour of selected [Tenerife restaurants](#), hotels and golf courses.

With low price guarantees, 100% security and no hidden costs, the Tenerife excursions online booking facility on myTenerifeinfo.com is certain to be a big hit and add extra value to those who have already discovered the island's number one source for [Tenerife info](#).
