< October 18, 2012, 6:41 am -- [/EPR NETWORK/](#) -- Robison Orthodontics has announced it will be buying back Halloween Candy from all East Valley Arizona Banner Health Employees at \$2.00 a pound and then matching the total candy purchased at \$2.00 a pound for their donation to the Banner Health Cardon Children's Medical Center in Mesa, AZ.

As a special treat to the U.S. service men and women overseas, all the Halloween Candy we buy back from the AZ Banner Health Employees will be donated to, and shipped by www.packagefromhome.com, a Phoenix based non-profit organization that coordinates the distribution of our Halloween Candy to our troops overseas.

According to Robison Orthodontics' Office Manager Kris Kellis, "this year will be our eighth annual candy-buy-back donation drive and we're all excited about our first collaborative sponsorship supporting the Cardon Children's Medical Center in Mesa, Arizona. We're hoping this will drive other Banner Health local Community Organizations to do the same.

Last year, we raised a total of \$4,000 for several Mesa and Gilbert Schools, and the 2,000 pounds of candy we bought back was donated to our troops serving overseas. This year we expect to make it a Banner Year with our Arizona Banner Health Employee participation".
