October 19, 2012, 4:07 pm -- /[EPR NETWORK](#)/ -- Appliance Spares Warehouse, a leading UK supplier of replacement appliance parts and accessories have unveiled their brand new website and online store. The site makes it easier than ever to get your hands on thousands of spare parts from trusted international brands.

The all-new and improved Appliance Spares Warehouse online store is easier to navigate and move between categories, to find exactly the parts and accessories that you're looking for.

All of the same big name brands are available at Appliance Spares Warehouse, from Ariston to Zanussi.

You'll find high quality [appliance parts](#) for a wide array of home appliances; used throughout every room in the house. Discover reliable and affordable replacement [parts for vacuum cleaners](#), tumble dryers, washing machines, cookers, dishwashers and more. An array of plumbing parts is also available so that you can carry out fast and effective DIY repairs just as soon as you need to.

Every item available via the new site features a high quality image so that you know you're getting just the right product, at the right price.

As always, customers can choose between internationally recognised brand name parts from the likes of Bosch, Servis, Hotpoint and Indesit, or choose even more affordable substitutes from replacement parts specialists Qualtex.

With Qualtex parts you can repair many big name appliances, without paying a big name price tag. These products are high in quality despite being low in cost, and the range is so diverse, you're likely to find a Qualtex part suitable to your needs.

Also new to this fantastic online store is the Appliance Spares Warehouse Knowledge Centre, which offers videos, information and advice for fixing your appliances. It's all part of making it easier than ever to fix your home appliances, plumbing and more, without breaking the bank.

Visit the new Appliance Spares Warehouse store to day to experience a simpler and more affordable way to shop for parts online.
