October 25, 2012, 10:09 am -- /[EPR NETWORK](#)/ -- As winter rolls in, this doesn't mean our nails should have to suffer. Online perfume retailer Fragrance Direct are also specialists in budget beauty and cosmetics, and here are just a handful of their most popular nail polishes that will brighten up nails without harming the bank balance.

Calvin Klein Splendid Colour Nail Polish 10ml (£1.99 each)

Calvin Klein is not immediately known for its range of beauty products, but this Splendid Colour Nail Polish is one of the highlights of their cosmetic collection. Fragrance Direct customers are big fans of this Splendid Colour Nail Polish for its smooth application, quick-drying nature and its gorgeous selection of colours that ranges from Hint of Pink to Electric Blue.

OPI Nail Lacquer 15ml (£5.99 each)

OPI is one of the leading names in nail beauty, and this fast-drying, chip-resistant Nail Lacquer is a popular purchase. There are dozens of bold colour shades available in the OPI Nail Lacquer range at Fragrance Direct, all of which come with eccentric names such as Who The Shrek Are You? and A Taupe The Space Needle.

Revlon Nail Enamel 14.7ml (99p each)

With its incredibly low price tag, this Revlon Nail Enamel provides the ultimate value for money when it comes to budget nail care. This nail polish will produce a smooth application and luminous, pearlescent finish, and the Nail Enamel is available from Fragrance Direct in luscious pastel colours such as Touch of Mauve, Peach Nectar and Scene Stealer.

L’Oreal Resist and Shine Titanium Nail Polish 9ml (£1.25 each)

L’Oreal Resist and Shine Titanium Nail is an extremely robust nail polish, providing a smooth finish that will resist chipping and damage for up to seven days. With a blend of Ceramide R and a unique SiliProtect Complex, this nail polish works to strengthen the nail and fix the nail colour firmly into place, giving it a long lasting shine.

Rimmel 60 Seconds Nail Polish 12ml (99p each)

For those who can’t afford to hang around waiting for their nails to dry, this Rimmel 60 Seconds Nail Polish is the perfect solution. With a bold selection of colours ranging from Portobello Pink to Deliciously Dark, this Rimmel nail polish needs to just one coat on your nails, and will dry in as little as one minute so you can hit the road as quickly as possible.

There are plenty more high quality nail polishes, varnishes and other nail care products on offer at Fragrance Direct, so if you are looking for the perfect budget nail beauty items this winter, be sure to visit the Fragrance Direct website at <http://www.fragrancedirect.co.uk/>.
