November 19, 2012, 7:56 am -- [/EPR NETWORK/](#) -- OKASANA CAPITAL PARTNERS Delivers Extensive Independent Research on Asian Equities

OKASANA CAPITAL PARTNERS today announced it would provide customers access to powerful, independent research from five sources through its new analyst Research Centre. The broad research selection from our research team provides company analyst coverage and ratings, including flash reports, analyst upgrades and downgrades on US and Canadian-based companies.

"Smart investors want more than low-cost commissions. Adding five independent research providers to our robust education content and real-time market monitoring tools helps customers to further evaluate their potential for long-term investment," said Duncan Donovan, President, OKASANA CAPITAL PARTNERS. "A full suite of offerings that encompass research, premium interest rates, cutting-edge functionality and superior service will continue to drive customers to invest with OKASANA CAPITAL PARTNERS."

Designed to provide timely and insightful information to self-directed investors, the easy-to-use Research Centre provides:

- Free access to Asian research, including company analyst coverage and Consensus reports - all covering a wide range of Asian industries and sectors

- Free access to Asian research from Reuters, including analyst upgrades and downgrades; and BNY Jaywalk Consensus reports - all with extensive Asian company coverage
- Premium access to research from top sources including analyst upgrades, downgrades, flash reports and more

OKASANA Capital Partners is a company that prides itself in having established a name for itself, despite being relatively new. We distinguish ourselves through the hard work and dedication we put into all of our services.

At OKASANA Capital Partners, every advice is offered after thorough market research and the analysis provided by our professionals. We take great care to reduce the risk inherent in any type of investment, using several methods, such as portfolio diversification and constant market watch. Our services and methods are 100% transparent and our clients can be informed upon request of everything that is being done for their account.
