Kim Jette from Stella Luca Salon, Winter Park, FL., Brings Local Consumers the Highest Level of Haircolor Expertise as a Redken Certified Haircolorist

Orlando, FL, November 08, 2012, 7:53 am -- [/EPR NETWORK/](#) -- Kim Jette recently excelled into an elite group of Redken Certified Haircolorists, who provide top notch service and guarantee exceptional haircolor results for their clients. There's a certain level of acclaim associated with being a Redken Certified Haircolorist, and members of this leading group are recognized for their color expertise and commitment to excellence.

"Consumers in Orlando, FL now have access to a leading haircolorist with the latest information on haircolor products, trends, and techniques," explains Christine Schuster, Senior Vice President of Education for Redken. "When consumers book their color service with a Redken Certified Haircolorist, they can rest assured they will receive the highest quality results and service."

Consumers also have the advantage of virtually "getting to know" a Redken Certified Haircolorist before they schedule an appointment! Redken.com's salon finder features Redken Certified Haircolorist profiles including salon information, picture, biographical information, photos of their work, and answers to fun questions.

Consumers looking for fresh, high quality color can call Kim at 407.740.6711 to make an appointment. For more information on Redken, please visit www.redken.com. Please note, Redken products can only be guaranteed authentic when purchased from a salon. We request that you do not credit, drugstores, "beauty websites" or other unauthorized retailers.
