December 05, 2012, 4:50 pm -- [/EPR NETWORK/](#) -- Dr. Steve Wolfington, of Cochise Caring Dentistry in Sierra Vista, AZ. announces their "2012 Holiday Free Contest for residents of Cochise County Arizona. "We selected the iPad for our first contest because it is one of the most popular items people are interested in" states Dr Wolfington.

Dr. Wolfington states, 'We wanted to thank all of our patients for their continued support and give back to our community, so we created our first annual Holiday Contest, where any one of our existing patients has several chances to win a free iPad when they refer a friend or family member. All they have to do is go to our [Sierra Vista Dentist Free iPad Contest](#) Entry Page and fill out a short entry form and they're automatically entered to win. The drawing will be held on Dec 20th 2012 and the winner will be announced on our blog.

We keep our contests and referral offers pretty simple, all we ask is that a patient refers a friend or family member who may be interested in getting the best dental care in Sierra Vista, Arizona. The referring patient can enter our contest as many times as they want by entering a new friend referral each time.

Our entire staff wanted to do something for the holidays and we all thought the iPad would make someone a nice gift for this year's holidays.

We treat many patients from Benson, Bisbee, Douglas and other outlying cities in Cochise County, even as far as Tucson in our dental office in Sierra Vista. Our Sierra Vista dental office has been in this location for over 30 years, and our staff members have treated and cared for 2 and 3 generations of our patient's family and friends.

Outside of our first annual Holiday Contest we maintain our "Smile-A-Mile" Program. This is an on-going program we created to support our community year-round. Smile-A-Mile reimburses our patients for their round trip cost of gas for each visit. We calculated the mileage from each of the cities like Benson, Douglas, Tombstone, Bisbee and more, to our [Sierra Vista Dentist Office](#). We used the average miles per gallon that a typical family vehicle gets according to statistics, and the average cost of per gallon of gas throughout Cochise County Arizona, and came up with our "Smile-A-Mile Program". As an example, our Benson Arizona Patients are now being reimbursed \$7.00 for each and every visit to our Sierra Vista Dental office, and all they need to do is bring in a water, electricity or phone bill to show proof of residence".

At Cochise Caring Dentistry, we strive to be the most affordable Family Dental and Cosmetic Dentistry Practice in Cochise County. For all of our New Patients, we offer 50% off our Exams and Cleanings and 50% off our Professional Opalescence Teeth Whitening treatments for all patients to assist our customers in attaining quality dental health".
