December 28, 2012, 8:03 am -- /[EPR NETWORK](#)/ -- 2013 is only a few days away now, and the [live casino TV](#) operators have changed drastically in 2012 with Jackpot247 & SuperCasino offering live roulette games on mobile devices, and Smart Live Casino creating their very own unique Facebook app! For this is the exact reason why TVCasino.co.uk today have now updated every page of content on their site to make sure that players coming over to gamble, know exactly what they're in for.

The [TV Casino](#) revolution has evolved masses of times over the past years and TVCasino.co.uk have done a great job keeping players updated at the hub, but this is to be the biggest content refresh they have ever done – expecting players to come back for more every week just to take an insight on their tips, guides and reviews on the biggest operators in online gaming.

Sam Merry, TVCasino.co.uk's Managing Director, explained,

“The online gaming world has changed a lot over the recent years, but 2012 was one to remember and with today's technology allowing things to run a lot quicker and smoother we should always keep our eye out for updates.”

“With this thought in mind, we are 120% sure that players will find exactly what they are looking for with extreme confidence when clicking through to play at one of the live casinos.”

Not only have they given fresh reviews, guides & tips but also included 3 new live casino reviews from the top live online casinos; Castle Casino, GuruPlay Casino & William Hill Casino. Hundreds of players visit their site every day, hunting for the widest yet best selection of [live casinos](#) and that’s exactly what they plan to give them.

TVCasino.co.uk is a UK based online gaming portal at the forefront of the new TV gaming revolution. Launched in June 2012, it offers exclusive bonuses, reviews and guides to players, working closely with an elite partner network that also includes SmartLiveCasino.
