February 04, 2013, 7:31 am -- /[EPR NETWORK](#)/ -- Red for love. Red for passion. Red for sin. Red Sin, the irresistible fragrance by Christina Aguilera, is available now from one of the leading online and high street perfume retailers, The Fragrance Shop.

The scent would make an ideal Valentine's gift for anyone looking to spoil their partner on February 14. Designed to make a woman feel seductive, captivating and proud of her femininity, Red Sin is a fragrance that will provide a woman with a true sense of empowerment.

Christina Aguilera's new fragrance helps to celebrate the beauty of femininity with its sweet, crisp opening notes of red apple, while the fiery spice of cinnamon adds warmth to the perfume and conveys its luscious, velvety overtones.

The middle notes of Red Sin are soft and welcoming, with Red cyclamen, which is also known as the sacred blossom of love, providing a light, floral scent. Cyclamen flowers stand for sincere tenderness and everlasting love, and down through the ages have been famed for their use in love potions. And what could be more relevant on Valentine's Day?!

When it comes to the base notes, Red Sin relies on the smooth scent of musk, which has become something of a trademark as far as the singer's fragrances are concerned. Also present are the creamy notes of exotic sandalwood, along with the spicy hint of red ginger.

Combined, these ingredients help to make the wearer simply irresistible!

The Fragrance Shop spokesperson Daniel Thompson said: "Christina has for many years produced big hits both in the music and the fragrance world. Her latest scent, Red Sin is her most sexy yet. She's carefully combined a series of saucy notes to create what is tipped to be the must have Valentines fragrance."

Red Sin by Christina Aguilera is available online at www.thefragranceshop.co.uk, as well as in the firm's high street stores.
