Fresh 1800 Restaurant & Bar at the Hyatt Regency Schaumburg, Chicago announces the introduction of live music every Wednesday night by the Chicago-based vocal duo Frank & Dave. For the first time, guests can listen to live music as they sip their drinks in the bar area of Fresh 1800. This free music event is ongoing and takes place every Wednesday from 6pm to 9pm.

Frank & Dave have been performing their vocally driven, harmony rich music around the Chicago area since 2002. The duo performs a mix of their own guitar powered songs with classic rock favorites and current pop hits. Since forming over a decade ago, Frank & Dave have released three albums: Two for the Show (2002), One for the Money (2006), and their latest release of all original songs, Different Roads. Over the years, Frank & Dave have gained a faithful fan base, gigging as openers for bands such as the Australian rock band, Little River Band, and performing their well-crafted songs and covers at intimate clubs and venues across Chicago.

The Fresh casual lounge offers burgers and beer for guests to watch the latest game and small plates for those craving a late evening snack to pair with their cocktail. Fresh Bar's live music sessions with Frank & Dave make Hyatt Regency Schaumburg, Chicago a destination every Wednesday night.

Fresh 1800 Restaurant & Bar creates French-inspired, seasonal cuisine using the freshest ingredients available in the Chicago area. The hotel's signature restaurant offers a gourmet menu that includes seasonally inspired, hand crafted dishes that are enhanced by fresh herbs and vegetables from the property's backyard garden. Guests can also visit Fresh Bar, a casual lounge located adjacent to the restaurant and relax with a signature cocktail or choose a bottle from the extensive wine list. Fresh Bar offers burgers, small plates, a selection of beers and large flat screen TVs ideal for viewing sporting and major television events.
