MINNEAPOLIS, MN, May 25, 2013, 4:45 am -- [/EPR NETWORK/](#) -- E-Switch announces an RGB color option for the ULP series LED [illuminated pushbutton switch](#). You can order this switch with either SPDT or DPDT circuit options and either momentary or latching options. It offers multiple cap options including square sculptured, square flat, rectangular flat, panel mount, or large sculptured, all with LED color options that now include RGB.

The applications and markets for this switch include consumer electronics, medical devices, audio/visual, instrumentation, vending machines, kiosks and more.

Specifications for the ULP series [illuminated pushbutton switch](#) include:

Contact Arrangement: SPDT or DPDT

Contact Rating: silver: 0.5mA, 25VDC; gold: 0.4VA max @ 28V (AC or DC)

Contact Resistance: silver: 50mO Max (initial); gold: 100mO Max (initial)

Insulation Resistance: 100 MO Min.@ 500VDC

Dielectric Strength: 2,000VAC

Electrical Life: 200,000 cycles

Mechanical Life: 1,000,000 cycles

Operating Temperature: -20°C to 70°C

Storage Temperature: -20°C to 70°C

Travel: 2.20mm

Actuation Force: SPDT: 200 gf; DPDT: 300 gf
Panel Thickness: 0.75 - 3.0mm (panel mount version only)

About E-Switch In 2009, E-Switch acquired Lamb Industries and now offers one of the broadest switch lines available today. The company has been delivering innovative and quality switches to the electronics, telecom, high tech, medical, instrumentation, industrial, audio/visual, appliance and consumer markets since 1979. Headquartered in Minneapolis, Minnesota with offices in Singapore and Hong Kong, E-Switch's global reach extends to Europe, Asia and Latin America. Products include Tact, Pushbutton, Rocker, Toggle, Slide, DIP, Rotary, Keylock, Snap Action, Power, Illuminated Switches and more. E-Switch has local reps, distributors, engineers and account managers on hand to provide specifying assistance and quick response to 3D drawing requests and other inquiries, along with a top notch sample program that allows engineers to examine and qualify our switches for their end product applications. E-Switch's online catalog includes complete specifications, drawings and schematics. Also offered are product modifications and customization expertise for many of our switches.
