Arlington, VA, October 23, 2013, 10:04 am -- [/EPR NETWORK/](#)  
-- The 126 room Comfort Inn Ballston in Arlington Virginia has completed a major renovation of its lobby. The hotel now features a business lobby concept, where guests can enjoy an open and flexible space. Along with WiFi and plenty of comfortable seating, the redefined space is ideal for everything from impromptu meetings to social gatherings.

Dining has also been redesigned to include casual, flexible seating with easier access to the full hot deluxe breakfast buffet. Delicious piping hot coffee and tea is served all day.

Throughout the hotel, guests can connect to complimentary Wi-Fi, and there are ample electrical outlets in the lobby to power digital devices. The business center features several computer terminals, with printing capability at no additional charge.

Whether you're traveling to Arlington, VA for business or pleasure, Comfort Inn Ballston is ideally situated just minutes from all the key attractions of the Washington, DC metro area. Shopping, universities, businesses, and tourist attractions-it's all close at hand. In addition courteous, professional staff members are available 24 hours a day to assist with any restaurant recommendations, tours, and transportation.

The entirely smoke-free guestrooms and suites of Comfort Inn Ballston are furnished with elegant décor, comfortable beds, and spacious work desks. All guests enjoy complimentary wireless Internet access as well as cable television channels. Some rooms are equipped with sofa beds, and in-room microwave ovens and refrigerators are available upon request.
