Connect Your Store to More. Evyr al provides a social platform for entrepreneurs and small business owners to share their own creations and products.

New York, USA, October 08, 2013, 10:19 am -- [/EPR NETWORK/](#) -- Evyr al's social shopping place has hit the market - share fine art, handmade goods, vintage, digital or manufactured items.

Rapidly growing due to the ease of use and interactive online shopping community features, Evyr al is designed to bring buyers and sellers together. Evyr al provides a social platform for entrepreneurs and business owners to share their own creations and products with customers around the world. Registering with Evyr al allows you to participate in a social marketplace where you can buy and sell products while connecting with other community members. With your Evyr al account you can setup your own storefront and sell your items. You'll gain full access to the complete set of user interaction features, including the ability to create both a unique personal and shop profile, "follow" other users, maintain a "favorite" items list and "treasury," share videos, comment, message, and share feedback with community members.

Dedicated to providing quality services and creating an environment of inspiring and innovative ideas, Evyr al has created an open and accessible community; a network where people can connect, compare, and share products and services used today. Browse our collections, buy products online and have the ability to contact shop owners directly with questions or requests. The Evyr al browsing experience guides buyers through our inventory in a fun and intriguing manner. When you need to search for specific items, the search categories will help guide you - search by color, style, price, location, or date added. Once you're logged into you're Evyr al account, you can setup your own storefront and start selling your products, customize your store, add your items and start selling today!

Why Evyral?

Open Your Shop in Minutes!

Set up a storefront and begin listing your items with Evyral within minutes.

Sell Your Goods:

Evyral allows members to sell physical or digital goods. Sell both tangible and digital products in just a couple of clicks!

Add to Treasury!

The Treasury allows members the ability to create themed favorite lists with unique properties and link them through social networks, forum signatures, etc. Enhance the popularity of your store and products by providing fresh, actual links to your marketplace.

Connect With Your Customers:

Easily connect with your ideal audience & receive notifications whenever you list a new product, make an update, or add a new shopping category! Unlike Amazon or other online marketplaces, Evyral enables its members to follow the activity of their favorite sellers.

Buyers find what they're looking for:

Our professional filtering system allows buyers to easily select the type of product they are looking for and quickly discover what best suits their needs.

Connect & Share with Facebook:

With over 1 billion users globally Facebook is the biggest single market in the world. Evyral provides a facility for Facebook users to easily register and login, share links to products, stores and pages on their timeline.

Share with Twitter:

Tweet and share your favorite Evyral product images, videos, & downloads for additional advertising. Grow your audience with Twitter - a real-time information network.

Effective Sales Channel:

Unlike Instagram, Facebook or Twitter, the Evyral social marketplace converts your social connections into real sales.

Get in Touch:

Connect quickly with other members of the community. [Evyr](#)al members can send direct messages from user profiles or product listings.

No Listing Fees:

List unlimited products with Evyr

al and only pay a small seller commission after your product/s sells.

Competitive Seller Fees:

Evyr

al charges a 3% commission across all categories and only after your product sells. Our competitors typically charge 3.5 - 25 %.

Receive Direct Payments:

Connect your own Paypal account with Evyr

al or directly through your bank account to receive payments after each sale. Evyr

al does not hold payments and does not have access to your personal banking information.

Extra product flexibility:

Evyr

al gives more options to buyers to select from and gives sellers the opportunity to offer items with different item properties - sizes, colors, materials, fabric types, etc.
