Fairport, NY, US, January 07, 2014 -- /[EPR NETWORK](#)/ -- essensu holistic skincare (<http://www.essensu.com>) will participate in an invitation-only luxury celebrity gift lounge hosted by GBK Productions in honor of the 2014 Golden Globe Nominees and Presenters. There, its Steal Youth Organic Age Defense Face & Eye Cream will be gifted to select members of the press and media visiting The Artisan Group® exhibit. The Golden Globes Gift Lounge will take place January 10-11, 2014 at an exclusive location in Beverly Hills, California.

essensu's Tami Abiuso, owner/founder, decided an appropriate choice to gift was its Steal Youth Organic Age Defense Cream as its a customer top rated pick, has received endless rave reviews, and has a large following of loyal customers who claim they, "can't live without it."

Steal Youth Organic Age Defense Face & Eye Cream is priced at \$29.50 and is available to order at www.essensu.com.

essensu holistic skincare products all utilize small batch, which ensures 'fresh for you' skincare products with the highest level of active ingredients. Only the finest natural, botanical ingredients and cosmeceuticals selected from around the globe are used to create its luxurious, holistic, botanical skincare. This production method, as Tami

describes, enables us to, "bring the garden to luxury, holistic skincare."

Tami is proud to be the owner of an indie beauty company. This enables them to respond quickly to the newest released active ingredients and incorporate them into the formulas and products they produce. This way, she says, "our customers are receiving the most up to date products to help prevent premature skin aging, solve skin care issues, and keep skin healthy and radiant, through the use of natural botanical actives."

Always taking the health and wellness of their customer's skin seriously, and formulating holistic products designed to nourish, and nurture skin, essensu's products never contain mineral oil, petroleum, petrolatum, paraffin, parabens, phthalates, artificial dyes or coloring, sulfates, cheap fillers, or harsh chemicals.

"We also offer custom formulations and scent requests," notes Tami. "We are able to customize around special needs and allergies, and are happy to formulate additional gluten-free products upon request. Most products are also available unscented for those with fragrance sensitivities or for those who prefer no fragrance, in addition, we offer many vegan friendly products, and many of our formulas can be modified to accommodate a vegan ingredient preference."

essensu believes natural, holistic products are just as important for babies, young children, and pets. Their Dirty Dog line includes organic grooming products for dogs, including an exclusive dry powder shampoo formula dogs and owners love. essensu organic baby, offers gentle, organic, unscented products designed for baby's delicate skin.

Tami resides in Monroe County, New York.

An active member of The Artisan Group, she has collaborated with the organization to bring her popular Lavender Pumpkin Aloe Vera Botanical Body Wash to the attention of Selena Gomez as part of a specially prepared gift bag given to the singer, her band and crew after the November 6, 2013 concert at Staples Center in Los Angeles. essensu's Pumpkin Spice Refreshing Room Spray was also included in The Artisan Group's charity gift bag for The Joyful Child Foundation in October 2013. A Per Amore' Aromatherapy Perfume Locket was also gifted to actress Stephanie Drapeau last spring as part of a specially prepared gift bag given to the actress.
