Hong Kong, February 03, 2014 -- /[EPR NETWORK](#)/ -- Hong Kong based Financial Services Firm – Cardell Company Ltd; proudly announces the launch of their new website. The website will help a growing number of international clients learn more about the products and services offered by Cardell Company. The website demonstrates Cardell Company Ltd. focus on the European and American cliental.

“We have noticed a very high demand for our products and services from Europe and United States. Our new website will allow the English speaking demographic to navigate and understand our products and core business in their native language. “We are very excited to be able to service and offer our products to Europe and United States of America.”

Cardell company will also be adding additional language services in the near future, French being next in line.

To learn more please visit www.cardell-limited.com

The new international website hosted at www.cardell-limited.com comes with a user friendly interface and also access to clients accounts online facilitating a 24/7 state of the art technology, allowing clients to get connected at all time and be informed about the current status of their holdings with Cardell Company.

“The website will be available in other languages as well over the next few months, including French and Spanish. The previous Chinese website will be fully integrated as well at the same time and will be available on the international web page of Cardell Company at www.cardell-limited.com said Mr. Glen Matthews, Vice President and Chief Information officer at Cardell Company.

About Cardell Limited:

Cardell Company provides a marketplace for private investors, introducing brokers, asset managers and high-frequency traders alike, offering faster round-trip execution and complete transparency of pricing. The company's principals and management team has over 40 years combined experience in the financial services industry. They have held roles in trading, banking, futures clearing, brokerage, and technology firms, some of which are amongst the largest in the world.

Cardell Company Ltd. provides investment solutions across a diverse range of asset classes including Asian and international securities, alternative investments, domestic and global property securities, and fixed interest securities. As an independent provider of best in class asset management solutions, Cardell Company Ltd. seeks to build investment solutions that are relevant and meet the needs of its distributors and investors.
