LONDON, February 14, 2014 -- /[EPR NETWORK](#)/ -- [The Montcalm Hotel in London](#) is nothing less than luxurious lifestyle redefined. Its ideal location in the heart of London, offering advantages in touring the city, shopping, dining in exotic destinations, makes this hotel the most sought after accommodation in the capital city. The hotel has in store an array of luxurious accommodations to choose from, unparalleled comfort and hospitality, and a host of amenities to avail of. The glamorous rooms and suites of the hotel all radiate timeless elegance and this coupled with the spa, wellness center, multi-cuisine restaurants, all combine to make the guests feel just like home.

The Montcalm Hotel, London City offers some packages which are meant to take your breath away.

- **Out of the World Shopping Experience** – The location of the hotel is just great for the shopaholics to go on in full gear. London is quite famous for its shopping corners; the Marble Arch and the Oxford Street are just a few minutes by walking from the hotel. This special package includes overnight accommodation in any room chosen by the guest. This is coupled with free English breakfast for twosome, to be availed of at the adjoining restaurant. A very special attraction of this package is a 30 minutes Foot or Head Massage at the Montcalm Spa. The guests are also provided with shopping vouchers, complimentary afternoon tea, chocolates, fruits and champagne, all courtesy Hotel

Montcalm. The guests are welcome at the Montcalm Gym. However, this package calls for compulsory advance booking.

- **Special Valentine's Day Package** – with the Valentine's Day just round the corner, it is time to be romantic. Hotel Montcalm London City inspires you to indulge in extravagance on this very special occasion. For making this year's Valentine's Day even more unique, the hotel comes with a package in which fine dining, glorious atmosphere and extravagant rooms are sure to bring out the inner-most feelings from the heart. Apart from the chosen accommodation, complimentary breakfast and chocolates, the romantic couple are pampered with aromatherapy massage for 40 minutes, and a red rose placed in the room.
- **Package for the Weekend Skater** – this package offers great opportunity to the guests to enjoy skating at the Broadgate Ice Rink over the weekends. This is one of the best ways to enjoy London winters, and is even better when added with a stay in the luxurious hotel. The package allows the guests, apart from the other normal amenities, two complimentary passes for skating at the Broadgate Ice Rink. The package is available solely for double occupancy. The passes include the hiring charges of skates.
- **Offer of 12% Discount on 3 or More Days Stay** – the 5 – star hotel Montcalm London City offers 12% Discount on room tariffs for a continuous stay of 3 or more days at the hotel. The offer includes free mineral water, fruits and internet access.

[Hotel Montcalm London City](#) has six meeting and events room to offer, which are fully equipped with everything that a business traveler may need to conduct his business, or a wedding party may ask for. The professional event management team employed by the hotel is at your service, to cater to everything that the esteemed guests may need in course of their work. The conference rooms and events rooms are just perfect for all social and business get-togethers.
