Kent, UK, March 13, 2014 -- /EPR NETWORK/ -- Capital Workwear are proud to offer personalisation and embroidery on a huge range of work wear clothing. This can now be ordered directly online, making the whole process quicker and easier for customers throughout the UK.

From T Shirts to Hi Vis, most products can be personalised with your brand logo, slogan or other imagery.

A choice of three logo positions are available for choice online, with customers being able to select from image placement on the left chest pocket, right chest pocket, or on the back of the clothing.

Additionally, printing is also available for hats and caps, ensuring your corporate work wear can be purchased and printed all from the same location.

The Additional Benefits of Work Wear Personalisation

Market research has proven that staff who are provided with their own branded clothing ensures stronger bonds and ties with the company, and a better sense of trust and pride.

It additionally provides encouragement for customers when presented with a situation where they are in direct conversation with a member of your staff.

To see a whole work force in company clothing inspires trust and a sense of teamwork, rather than seeing a varied choice of work clothing and apparent disarray.

Advertising is an additional benefit, with your work staff displaying company logos, telephone numbers and web addresses while in the office or out at a client meeting.

Whether your company involves office work or outdoor work, there is work clothing available online for any type of business.

Easy Online Ordering

The vast majority of products which are available to buy online at are available for work wear personalisation or embroidery - these products are marked with a "Personalisation Available" banner throughout the Capital Workwear website.

Customers can simply click on that banner to start a Personalisation request for their order.

A simple form is required to be submitted, asking the customer for simple details such as name and address, but also the embroidery information, with customers able to upload their imagery directly online.

Once submitted, Capital Workwear aim for a usual turnaround of between 7-10 days between placing the order and delivery of your customised work wear.

As with all clothing sold online, quality of the product and quality of the embroidery is second to none, with plenty of big brands as well as local businesses having previously used the service.

Free Delivery is offered on orders above £75 too, with delivery across the UK; so ideal for those looking to place an order in bulk for their entire work force.

If unsure about choice of logo, slogan, colours or image placement, Capital Workwear have staff available on the phone and via email to answer your questions and provide advice based on previous orders.
