Melbourne, Australia, May 30, 2014 -- [/EPR NETWORK/](#) -- Now you can simply calculate your repayments with an app designed and developed by Loans Direct. This Loans Direct Mobile App also features a home loan calculator, car loan calculator, personal loan calculator, mortgage insurance calculator, truck loan calculator and stamp duty calculator for property investors or potential buyers in Australia.

How about a Smartphone app that helps to calculate loan repayments and makes it quite easier to calculate monthly payments, lump sum and extra payments of home loan, car loan or personal loan. Just one tap on your smartphone screen and the financial figures are right at your fingertips.

Loans Direct, a financial group providing an array of financial solutions in Australia, has recently launched a mobile application that eases the task of calculating figures and numbers to know variety of aspects related to a loan. Whether you have a Nexus or any other Android-based Smartphone, you can download this app Free from Play Store and continue to use with full features without paying anything. The app is a kind of financial calculator integrated with tools to provide information about loan repayments in yearly, quarterly, monthly or weekly payment schedule. The app also includes Home Loan Calculator, Personal Loan Calculator, a Stamp Duty Calculator and a Car Loan Calculator for potential buyers, investors, brokers as well as lenders.

Here are some of the major highlights of this app:

- This ready to use app, after successful download, you can calculate loan repayments and borrowing limits.
- You can also calculate lump sum payments to save the interest and other irrelevant charges on your basic loan amount.
- Rate comparison to find monthly repayments
- This app has a graphical summary of a loan and extra payment frequency to repay the Loan amount sooner.

To know more about its features click here.

Moreover, this app also contains information about the state wise comparison of stamp duty, the latest stamp duty fees and charges specific to Adelaide, Melbourne, Canberra, Sydney, Perth and Brisbane.
