BestMobileAppAwards.com has released the winners of its 2014 Summer Awards competitions <http://www.bestmobileappawards.com/award-winners>

Hackensack, NJ, August 19, 2014 -- [/EPR NETWORK/](#) -- Winners for the highly competitive Summer contests were announced on Wednesday, August 13, 2014. Categories included Best App for Children and Toddlers, Best Mobile App User Interface, Best Social / Lifestyle App and Best GPS-Enabled App.

Developers from all over the world showcased their latest and greatest mobile apps for consideration into being among the best in the industry. A team of highly regarded mobile app developers were among those who demoed and judged each app for the final award considerations.

BMAA offers quite a few value add features to those apps involved in the various competitions:

Lifetime exposure on bestmobileappawards.com, win or lose.
Ability to win awards against some of the most popular apps in the app marketplaces.

Winners are featured on social media channels run by BMAA, including Facebook and Twitter.

Included in a BMAA press release picked up by over 40 highly touted news sources.

Platinum winners are featured in the Mobile App Spotlight section and Monthly Newsletter.

The Best Mobile App Awards would like to congratulate the following 2014 Summer Awards winners:
