Released on = April 25, 2007, 12:10 am

Press Release Author = **Kush Infosystem Pvt. Ltd.**

Industry = [Internet & Online](#)

Press Release Summary = Kush Technologies CEO Rishi Modi launches SEO friendly services on there freshly launched website Submittedge. The site will offer multiple SEO related services and will cater to webmasters looking for customized SEO services.

Press Release Body = Kush Technologies recently launched its SEO services website Submittedge. Submittedge hopes to cater to the requirements of webmasters that are looking for customized services instead of the norm of complete search engine optimization. The site offers on site purchase of services and is one of the few merchant certified sites on the net, offering such search engine optimization related services.

Submittedge creators Kush Technologies's CEO Rishi Modi (SEO Certified Professional) had the following to say about the websites launch: "Submittedge has been created as a one stop shop for webmasters that are looking for search engine optimization solutions, our objective is to offer each webmaster exactly what they require in terms of SEO services, instead of the usual out of the box solution". Rishi further emphasized on the customer support angle "Our organization has ensured that all our customers receive 24x7 support and Submittedge will follow the excellent customer services and after sales support system that Kush Technologies has established"

The site is accessible at [www.submittedge.com](http://www.submittedge.com) and will initially offer the following services:

λ Guaranteed ten day indexing of websites  
Manual directoryλ submission  
λ Social bookmarking services  
Search engineλ optimization

The site will soon be offering additional services like press release creation, search engine friendly articles to name a few
