Press Release Body = New York-based company, **IFFISO HNWICC, Inc.** has launched **Conciergerie deLuxe** (www.conciergeriedeluxe.com), an international Conciergerie serving High Net Worth Individual and Corporate Clients within and outside the USA. Conciergerie deLuxe is composed of more than 150 Concierges located in more than 80 countries and with commitment of mobility to offer high quality services to valued clients.

The company has partnered with several key players in the luxury industry to facilitate access to Conciergerie deLuxe.

Michael Cypria, CEO, said: "We have developed a real know-how by working with banks, financial advisors, lawyers, wealth managers, and Governmental institutions around the globe. Conciergerie deLuxe has been thought and implemented not only for them, but also for their clients."

Conciergerie deLuxe assists their members in their domestic and regular needs: finding nannies, booking restaurant tables, and buying concert and opera tickets. They can book private jets, superyachts, and luxury cars, or get bodyguard protection and private consultations from wealth managers, thanks to an international intranet connecting clients to Conciergerie deLuxe at anytime, in any country. Respecting the Conciergerie deLuxe International Quality Chart, concierges show experience and a real commitment in their tasks.

The Company's CEO stated: "To guarantee excellence of services, we have also accepted to be mobile: always ready to travel abroad on a client's request. This is why we offer our members the possibility to order their services via their mobile."

With **Mobile Concierge deLuxe**, clients can get location-based information on restaurants, exhibitions, and theaters. They can access weather forecasts, news, sports, stock quotes, and SMS alerts. But, all services ordered are handled by real concierges ready to satisfy clients' needs in the shortest time.

The mobile applications use the SSL (Secure Sockets Layer) protocol with a 128-bit encryption key, the only way to guarantee confidentiality and discretion of information exchanged. **Mobile Concierge deLuxe** integrates also mobile payment solutions to facilitate transactions. Major mobile devices are supported. **Mobile Concierge deLuxe** is combined with an international platform called "Follow Me Support". Follow Me Support allows members to leave

messages on local phone numbers where they are located and to get services from the local Concierge with real-time feedback. This service uses the latest technologies so that clients pay only local communication costs.

24 hours a day, 365 days a year, in more than 80 countries and within the USA, local clients and expatriates can get assistance to send gifts, flowers; or get a personal shopper in New York, Paris, London, Milan, and Tokyo.

Travel Conciergerie deLuxe not only advises members about luxury property rentals but also, offers specials and travel packages in the most exotic locations for an unforgettable experience.

The membership and gift cards programs give access to Luxury and exclusive gifts thanks to growing alliances led by Conciergerie deLuxe with luxury shops. Thus, inside luxury store partners in Paris, clients can have one part completely private and a personal shopper dedicated to them.

For Conciergerie deLuxe members, one of the top stores has accepted to open its doors after midnight!
