

Singles.com reviews two of the hottest dating sites on the web

Released on = August 30, 2007, 4:49 am

Press Release Author = Singles.com

Industry = [Internet & Online](#)

Press Release Summary = **Singles.com has just added two of the hottest dating sites to it's collection of reviews for over 100 dating websites**

Press Release Body = **Singles.com** has just added comprehensive reviews of what are widely regarded as two of the hottest dating sites on the internet to go along with it's offering of timely, objective reviews of over 100 dating websites.

With such a large pool of dating sites to draw from, the newly re-launched **Singles.com** helps users sift through the maze of online dating sites. Providing an objective, unbiased review of each site, **Singles.com** allows users to make an informed decision prior to purchase. Just added to the mix are two of the most widely talked about sites; SinglesNet.com and Mate1.com. **Singles.com** also offers special deals on many dating sites, including a range of benefits from unlimited free trials on leading adult dating sites to extensive discounts on various other types of dating websites.

Singles.com offers people looking for the best dating sites comprehensive reviews and dating options right in their area, making it easier for dating site users to find friends, possible dates and potential partners. Users can rest assured that the dating site reviews found at **Singles.com** provide professional advice and a first-rate comparison service.

Mike Youtan, V.P. of Business Development at Singles.com, commented: *"We are thrilled to have reviewed these two sites. Our goal is to constantly evolve and have the decision making process as simple as possible for **Singles.com**'s users. What's more, we make it easy for our users to find exactly the right sort of dating site for their particular interests - whether it's adult dating, ethnic dating or religion dating."*

And since the new **Singles.com** site is 100% free and does not require membership, our users can rest assured that if they don't find the dating site that's right for them, they can browse our reviews and try again."

Special offers are only available to **Singles.com** surfers. **Singles.com** also hosts a table of the Top 10 rated dating sites, including **BigChurch.com**, **LonelyWivesDatingClub.com** and **MillionaireMatch.com**, amongst many others. With a variety of testimonials available to view online, new users will be able to see just why **Singles.com** is the ultimate guide to online dating.

About

Singles.com

Singles.com offers professional dating site reviews with no membership required. **Singles.com** was created in order to allow people to learn the pros and cons of dating websites before joining. By helping internet dating site users make informed decisions; the site has already solidified itself as the utmost authority on the topic in its short history.

Singles.com allows people looking for dating sites online to search a range of dating profiles, whether it's an all-inclusive site or a religious, ethnic or location-specific one. Moreover, dating site owners are guaranteed a site review and notification within 72 hours of their application to **Singles.com**.
