Press Release Body: San Francisco, CA - November 11, 2007 - **"5 Stars!"**, **"Inspiring"** and **"My Favorite"** are just some of the accolades from admirers describing the new book **The**

Birds in My Life, by Supreme Master Ching Hai which is now ranked as international **#1 Bestseller** in the general category of all books at Amazon.com, the world's largest online bookstore, with over 10 million books. Within the first few weeks of the books release, orders are streaming in from around the world. Together, **Supreme Master Ching Hai's** two books, **The Dogs in My Life** and **The Birds in My Life** are topping international book lists and gaining acclaim the world over.

The Birds in My Life is an exquisitely colorful and vibrant illustrated book covering the personal stories of nearly two dozen exotic tropical birds which have been personally taken in and lovingly nurtured by **Supreme Master Ching Hai**. Within the brilliantly illustrated pages, readers can feel the sensitive and divine nature of these beautiful creatures. The birds “speak” through the author about their devotional love for God and their human companion. The author states, *“If you have pets, try to ‘listen’; they will lead you into their world, guarded secretly since the beginning of creation.”*

These books were written by **Supreme Master Ching Hai** as a testament to the pure and noble love of our dog and bird angels. Through colorful photographs and charming anecdotes that reveal her animal companion’s inner thoughts, **Supreme Master Ching Hai** brings a new understanding to readers of the depth of emotions and love that are shared by our furry and feathered friends.

Emmy winning news journalist Jane Velez-Mitchell says *“Supreme Master Ching Hai's relationship with birds represents an ideal to which all humans should aspire! When she encounters a bird left to languish in a small case, she rescues and rehabilitates that creature with kindness, communication and unconditional love. Supreme Master offers a profound lesson. Every creature you encounter has a heart and feelings and deserves respect.”*

Supreme Master Ching Hai is an accomplished poet, artist, author and spiritual teacher, who sets a brilliant example of selfless service for millions around the world. For any reader who loves animals and believes in their rights to live a happy and healthful life, this book is a beautiful and compassionate compliment to anyone’s home. Written in simple language and beautifully illustrated, **The Birds in My Life** can be enjoyed by young and old alike, regardless of their language ability. It will inspire anyone to connect and to celebrate the diversity and innate loving kindness of all Creation. Also, look for **The Dogs in My Life** and the upcoming release of her new book **The Noble Wild**.
