

Super Holiday Rentals offers new availability in Northumberland Cottage

Released on: November 19, 2007, 3:21 am

Press Release Author: [Super Holiday Rentals](#)

Industry: [Consumer Services](#)

Press Release Summary: Super Holiday Rental, the worldwide live online holiday booking engine has expanded its holiday rental property portfolio with Wanney Cottage, a rustic retreat in the Northumberland countryside

Press Release Body: **Super Holiday Rentals**, the worldwide live online holiday booking engine, has added **Wanney Cottage in Northumberland** to its growing list of rental properties.

The new property is the latest addition to [Super Holiday Rentals](#) collection of [holiday cottages in England](#).

The rustic two bedroom [holiday cottage in Northumberland](#) is situated in the peaceful village of Ridsdale near Hexham in Northumberland. It is ideally situated for exploring the Northumbria National Park, Kielder Water, Hadrian's Wall, Pennine Way, Border Country, Northumberland Coast or visiting the historical Northumbrian market towns of Hexham, Morpeth and Alnwick.

The famous **Gateshead Metro Shopping Centre** is within easy reach, as is the vibrant city of Newcastle upon Tyne, the Scottish Borders or a day trip to Edinburgh. Provisions are available in the

nearby town of Bellingham, 6 miles away, or from the market town of Hexham, 16 miles away.

The [holiday cottage](#) itself is a spacious and comfortable 19th century former quarryman's cottage set high in the Northumberland countryside. The cottage has one double bedroom, one single bedroom and a bathroom with shower. The kitchen/diner is fully equipped with a microwave, dishwasher, washing machine, lounge and sun room, with a bed settee. There is central heating throughout the cottage and a cosy wood burning stove in the lounge. Bed linen and towels are included with the property as is private parking and a private garden with stunning views of the Cheviot Hills.

Super Holiday Rentals are continually adding new properties to their booking engine, offering holiday cottages, houses, villas and other holiday accommodation through the UK, Europe and rest of the world.

About Super Holiday Rentals:
[Super Holiday Rentals](#) was first devised by Philip A Green, a leading holiday home owner and operator in the UK, and is a worldwide live online holiday booking engine.

People who own holiday rental property the world over can advertise their property on [superholidayrentals.com](#), by loading availability onto the [superholidayrentals.com](#) booking engine. **Super Holiday Rentals** allows customers to search, book and pay for their chosen holiday rental live online immediately.
