

Super Holiday Rentals offers new rental property in France

Released on: November 15, 2007, 8:16 am

Press Release Author: [Super Holiday Rentals](#)

Industry: [Internet & Online](#)

Press Release Summary: Super Holiday Rentals, the worldwide live online holiday booking engine has expanded its holiday rental property portfolio with a new split level cottage in Brittany, France

Press Release Body: **Holiday Rentals**, the worldwide live online holiday booking engine, is pleased to announce the addition of a new property in rural France.

Ty-Jopic, a holiday cottage in Brittany France, is the latest addition to the growing list of [Super Holiday Rentals](#) rental properties. The detached split level cottage is located on a hilltop on the edge of the small rustic village of Quimerc'h, where visitors can find a bar/tabac, a church and a small supermarket, ideal for stocking up on day to day commodities. A short drive away is the larger town of Le Faou, a 16th century settlement, which has a full range of shops including a large supermarket.

The property is one of several [holiday cottages in France](#) available from **Super Holiday Rentals**. This latest addition is ideally situated for those who enjoy outdoor activities; **The River Aulne**, which is ranked the number one river in France for salmon fishing is only eight miles away and there are ample opportunities for costal walks and rambles in the countryside. The beaches nearby are sandy and uncrowded with safe swimming and sailing, and there are a number of small children's parks in the area, along with a small zoo and an inland lake with pedaloos.

The new **Ty-Jopic holiday rental property**, can accommodate six people, is well furnished, and has a kitchen, dining room, shower room, two toilets and a large living room, and is located on a hilltop with impressive and far reaching views.

Super Holiday Rentals are continually adding new [holiday cottages](#) to their booking engine along with other rental properties offering holiday houses, villas and other holiday accommodation throughout the UK, Europe and rest of the world.

About Super Holiday Rentals:
[Super Holiday Rentals](#) was first devised by **Philip A Green**, a leading holiday home owner and operator in the UK, and is a worldwide live online holiday booking engine.

People who own holiday rental property the world over can advertise their property on [superholidayrentals.com](#), by loading availability onto the [superholidayrentals.com](#) booking engine. **Super Holiday Rentals** allows customers to search; book and pay for their chosen holiday rental live online immediately.
