

Anger Management Education Center adopts new curriculum

Released on: December 27, 2007, 9:26 am

Press Release Author: **Shannon Munford M.A.**

Industry: [Education](#)

Press Release Summary: Daybreak Counseling Service, a California based provider of anger management classes, anger management courses and seminars has joined forces with Century Anger Management.

Press Release Body: **Daybreak Counseling Service**, a California based provider of anger management classes, anger management courses and seminars has joined forces with **Century Anger Management**. **Century Anger Management** is a nation-wide provider of anger management training.

Daybreak Counseling Service has adopted the **Century Anger Management** curriculum in all five of its Los Angeles anger management education centers.

Dr. Tony Fiore PhD and Dr. Ari Novick PhD created the curriculum, which is based on 8 tools of anger control. **Daybreak Counseling Service** is proud to join the family of **Century Anger Management** network providers.

The move is a part of **Daybreak Counseling Service's** continued effort to provide quality evidence-based anger management classes to individuals, couples, corporations and non-profit organizations.
