

New Malta Holiday Apartments from Super Holiday Rentals

Released on: January 10, 2008, 7:38 am

Press Release Author: [Super Holiday Rentals](#)

Industry: [Consumer Services](#)

Press Release Summary: Super Holiday Rentals, the worldwide live online holiday booking engine have recently added a number of new holiday apartments on the Island of Malta to their property portfolio

Press Release Body: **Super Holiday Rentals** have recently added a number of new holiday apartments on **Malta** to their portfolio of vacation rental properties.

The new properties are the latest addition to the [Super Holiday Rentals](#) collection of [holiday villas in Malta](#).

The new property at **Club Dolmen by the Sea** provides some of **Super Holiday Rentals** best situated [Malta holiday apartments](#), located right on the water's edge with unobstructed views of St. Paul's Bay, as well as the islands of **Comino and Gozo**. The apartments are spacious and superbly appointed with modern furnishings and conveniences. Guests will also appreciate the air conditioning, fully equipped kitchen, full bathroom, television and laundry facilities.

The island of **Malta** offers fantastic boating and diving opportunities, as well as access to many archaeological sites and the nearby ferry terminal provides convenient transport to the other fascinating islands available for exploration of the ancient cultural sites that are in abundance in the area.

St Paul's Bay, like many of the holiday resorts in Malta and Gozo, was originally a small fishing village, and dates back almost 1000 years; now the charming area offers plenty of bars and restaurants in addition to the traditional architecture. The area offers a range of sights and activities, from ancient temples for history enthusiasts, to five-day feasts, water sports and sandy beaches. Other [holiday rentals in Malta](#) are also available through the **Super Holiday Rentals** website, including the Ocean Club Apartments at **Ramala bay**, and the **Topaz Beach** club at **St Paul's bay**.

Malta is amongst the latest batch of countries to adopt the Euro currency, (**Malta** joined on the 1st of January 2008), and so far the transition has reported to have been very smooth, due to extensive preparations that had been put in place previous to the switch. The change to the Euro currency is expected to further increase the popularity of Malta as a tourist destination, and also send a strong signal to the business community announcing that Malta is a stable and prosperous location in which to invest.

Super Holiday Rentals are continually adding new properties to their booking engine, offering [holiday villas](#), apartments, houses and other holiday accommodation through the UK, Europe and rest of the world.

About Super Holiday Rentals:
Super Holiday Rentals was first devised by Philip A Green, a leading holiday home owner and operator in the UK, and is a worldwide live online holiday booking engine.

People who own holiday rental property the world over can advertise their property on [superholidayrentals.com](#), by loading availability onto the [superholidayrentals.com](#) booking engine. **Super Holiday Rentals** allows customers to search, book and pay for their chosen holiday rental live online immediately.
