Press Release Summary: The release of a new forum related to the new diet drug launched by Sanofi Aventis (acomplia). Here ,members can ask for help, change experience with other patients and find out the real truth about this new pill

Press Release Body: For the last six months our blog was an important source of news about **Acomplia**. I thought that it would be more helpful if I would make things easier and open a forum related to the new obesity treatment launched by **Sanofi Aventis**, the second pharmaceutical provider in the world.

I recently opened a forum where everybody can talk about **Acomplia**. Everybody can join the forum located at: <http://www.inconvenientchristians.org/forum>. I think I don't have to tell you now how important this diet pill is,because if you'll affiliate to this forum, you probably now what I'm talking about.

I thought it would be good to open a forum were we can all talk about this amazing pill. Here you are free to say what ever you think it's right and expresse free without any censure.

The Acomplia Forum advantages are:
-you are able to get in contact with other people interested in **Acomplia** and all about it
-you can share your opinion with other patients
-you can debate lots of subject related to weight loss and especially **Acomplia**

-if you have any research results you can freely make it public here
-you can find the most reliable pharmacy,find the best prices and the dosage that fits for you
-you can get advises from people that now all about **Acomplia**, even doctors

We hope that this forum will make a difference and people can make the right choice before ordering any diet pills.
