Press Release Body: New Book Promises Hope for the "Sick-and-Tired" Christian

COLDWATER, MICH. **Dwight Hall**, president of **Remnant Publications**, a non-profit Christian publisher, has just

announced the release of **Jim Ayer's He Shall Lift You Up**, the ministry's newest inspirational resource that equips **Christians** from every walk of life to win their most challenging spiritual battles.

Says **Dwight Hall**, *"Jim boldly addresses the dilemma that so many **Christians** today need and want help to resolve—they are just sick and tired of a lackluster **Christian** life. Many of us have heard about having 'power in the blood,' but we're lacking half of the equation: We have the blood, but not the power. He Shall Life You Up helps us to find that power and revitalize our **Christian** experience."*

Explains author **Jim Ayer**, speaker for **Adventist World Radio**, *"If a person frequently feels like a sinner and seldom feels like a saint, this book is really for them. It will show every reader just how powerful God can be in our lives and, as a result, set them on a more promising path to heaven."*

He Shall Lift You Up reveals that the hand of **God** is waiting to do wonders in and through the life of every **Christian**. They don't have to ever experience an uninspiring moment again because **God** wants to help them live their lives to the fullest!

Adds Ayer, *"When **Jesus** described the life of faith, He made it so real and reachable that His listeners knew they could truly experience it for themselves."* This new, power-packed book promises that readers can feel the same way, even in this day and age, through the very same promises of an all-powerful Savior.

The themes of **He Shall Lift You Up** also explore the causes and solutions of contentious and unnecessary debates in **Christendom**. Ayer also shares earnest and exciting personal spiritual discoveries through a **Bible-based perspective**.

Dwight Hall adds, *"By the time a soul finishes reading this tour-de-force of faith, he or she will be convinced that all of **Jesus'** biddings are within reach. So why continue life as a worm? Be transformed into a butterfly, soaring to lofty heights. Come and be changed by the power of the Almighty!"*
