Press Release Summary: Real Estate Investing - Maryland, Virginia, and Washington, DC real estate investing expert dispels myths and says "There Are No Real Estate Investing Secrets!"

Press Release Body: Maryland based real estate investing expert **Vernon Vaughan** says, *"There Are No Secrets to Real Estate Investing"*, that the so called secrets that gurus charge you money for, are easily found on the internet, completely free of charge.

If you live in Prince George's County, Baltimore, Virginia, Washington, D.C. you've seen **Vernon Vaughan's** television commercials, received a post card from him, or know a family member or friend that has been helped by **Vernon Vaughan**. He is a new breed of young **"no b.s., no fluff, 100% content"** real estate investors and educators. He has set the real estate investing world on fire since starting in 2003 as a young man in his early twenties. Vernon Vaughan has the elite honor of being one of the small percentage of professionals nationwide that is an investor, realtor, and appraiser.

He is called **"The Wholesale Renegade"** and **"The T-Shirt and Blue Jeans Real Estate Investor"** by his peers. He is known for his casual dress style and can often be seen cruising Maryland, DC, and

Virginia in his black Jaguar convertible that with a license plate that reads "BUYFAST". In only his second year in the Real Estate Investment business, he was 1 of 10 finalist for the National Real Estate Investor of the Year Award. He is also a highly sought after coach and consultant to new and experienced investors alike.

Vernon's monthly real estate wholesaling classes sell out consistently and quickly. *"Many gurus are charging people thousands of dollars for watered down recycled information. One reason I'm called the Wholesale Renegade is because I offer an all day workshop for only \$125. In my all day workshop I start out by telling my students that there are no secrets in real estate investing."*, says Vernon Vaughan

He credits much of his real estate investing and marketing mastery to other experts like Steve Cook, Dan Kennedy, Bill Glazier, and Minh Pham.

Vernon has a rarely seen passion (and flair) for the Real Estate Investment business and attendees to his classes say that they are thrilled that one of the best young Real Estate Investors in the contry is now teaching people in the Maryland, Virginia And Washington DC area how to invest in Real Estate using battle tested techniques and cutting out the fluff and mystique that the late night television gurus use to sell expensive CDs and books to millions of people.

Always the trendsetter, he has hosted free forums on foreclosure investing and working with banks to negotiate short sales.
