**Press Release Summary: Why feed your skin anything than what you would feed yourself? Touch Salons announces its exclusive Organic Green Apple Facial.**

Press Release Body:  
Announcing the launch of **Touch Salons** exclusive **Organic Green Apple Facial by Juice Beauty**. Touch Salons exclusive **95% Organic Apple Facial** will leave you feeling refreshed and give you a youthful glow. The anti-oxidant technology combines peptides, Vitamin C, and essential fatty acids for optimum age-defying results. The

skin absorbs 64% of what you place on it-the **Juice Beauty Organic Apple facial** will provide you with an organic, healthy, paraben-free and naturally toxin free option for your skins best look. Cinnamon

aroma therapy will help to relieve pain and increase blood circulation, while warming the inner body. Choose from a paraffin foot or hand treatment during your facial.

**Touch Salons** prides itself on the healthy lifestyle it provides to each client. The spirit of **TOUCH** is about providing a superior service in a distinct salon environment that empowers the **TOUCH** woman to feel bold, sexy and confident.

This facial utilizes **Juice Beauty**'s antioxidant technology with certified organic Hydroxy-Acid Juice Base, including organic apple juice, lemon juice, grape juice, raw cane sugars, and salicylic acid and milk peptides. This patent pending juice base is blended with Results-Oriented Antioxidant Technology. Age-defying antioxidants (DMAE, alpha lipoic acid, coenzyme Q10, fat-soluble vitamin C), performance-oriented peptides and refining hydroxy-acids, help smooth fine lines, firm and clear blemishes.

The organic hydroxy-acid juice solution helps: exfoliate dull, lifeless skin, minimizes fine lines and wrinkles, helps give skin a smoother appearance, improves skin tone and texture, help reduce blemishes, and helps lighten surface scars and age spots. Perfect benefits for aging and problem skin conditions.
