Press Release Summary: Homewood Suites by Hilton honored by the National Coalition for the Homeless

Press Release Body: **Homewood Suites by Hilton**, the international brand of upscale, all-suite, residential-style hotels, has announced it has been honored by the **National Coalition for the Homeless (NCH)** with a **Watlov Family Outstanding Service Award** for the brand's philanthropic support of the organization.

[Homewood Suites](#) has partnered with the NCH for more than two years in helping to raise funds, hold clothing and linen drives, and other charitable initiatives for the organization. Additionally, **Homewood Suites** recently completed a short documentary on the NCH, which will air on the in-room entertainment guide, LodgeNet, later this spring.

*"We are truly honored to be recognized by the **NCH** for our work with the organization,"* said **Bill Duncan, Vice President, Brand Marketing and Sales, for Homewood Suites**. "Both at a brand level and through the involvement of our individual hotels, **Homewood** remains committed to helping end the tragedy of homelessness."

The **Watlov Family Outstanding Service Award** is awarded to partners of the **NCH** who go above and beyond in helping to raise awareness of the organization. It was presented during a board meeting earlier this month.

The **National Coalition for the Homeless**, founded in 1982, is a national network of people who are currently experiencing or who have experienced homelessness, activists and advocates, community-based and faith-based service providers, and others committed to a single mission of ending homelessness. The **NCH** is committed to creating the systemic and attitudinal changes necessary to prevent and end homelessness. At the same time, the organization works to meet the immediate needs of people who are currently experiencing homelessness or who are at risk of doing so.
