Press Release Author: **Robert Kokoska**

Industry: [Healthcare](#)

Press Release Summary: free-diet-pills-online.com are currently offering visitors to their website a 2 week trial supply of their diet pills called "Lyse XL".

Press Release Body: **free-diet-pills-online.com** are currently offering visitors to their website a 2 week trial supply of their [diet pills](#) called "**Lyse XL**".

Lyse XL are the new natural diet pills available online that assists the body with burning calories and act as an appetite suppressant and energy booster. They are the perfect supplement to any [weight loss diet](#).

Lyse XL contain only natural ingredients that promote thermogenesis which increases the metabolism causing you to burn more stored body fat. The formula also contains compounds called xanthines which assist with transforming body fat into energy. **Lyse XL** is also perfect for people who are already in good shape but would like to define their bodies and bring out their [six pack](#).

One **Lyse XL** user is quoted as saying, *"Of all the diet pills I've tried, natural and otherwise there is nothing that comes even close. I can surely say **LYSE XL diet pill** is my savior. I lost 40 pounds in 10 weeks flat with out diet or any exercise routine."* - Dabyana, 35 USA
