Press Release Body: COLDWATER, MICH. **Dwight Hall, president of Remnant Publications, a non-profit Christian publisher,** has announced the release of **Stephen Bohr's Hidden Sabbath Truths**, a timely new resource that has enormous potential to persuade Christians of all denominations about the truth and power of the Bible-ordained Sabbath.

"If ever there was a book other than the Bible that can conclusively show the sanctity of the seventh-day Sabbath, this is it," says Hall. "It proves beyond any shadow of a doubt that as sure as God created this world, He set aside the seventh day and made it holy."

A popular Bible teacher known for his brand of in-depth and unique biblical insights, **Pastor Stephen Bohr** reexamines the Sabbath day

in a fascinating new light, giving an often exhilarating look at a Bible truth increasingly neglected by the church created to sustain it. Thus, not only does it draw Sunday-keepers in a way that will convict them of a vital Bible truth, it will also reignite the passion of present Sabbath-keepers for God's holy day.

In two parts, **Hidden Sabbath Truths** explores the creation of the Sabbath and its ultimate redemptive meaning. Bohr offers many stunning new perspectives that will simply astonish readers—offering clear, detailed answers to previously unexplored questions such as: Why didn't God give Adam and Eve a direct command to keep the Sabbath? Why doesn't Genesis mention an evening and a morning of the seventh day? and more.

Says Pastor Bohr, *"For a very long time I have wanted to connect the Sabbath specifically with Christ's work of redemption and how it will continue to be meaningful to believers in the new earth. This book has allowed me to do that in an earnest effort to appeal to those who want to follow God's Word."* The book's powerful message also combats the alarming trend of the acceptance of evolutionary teaching in churches today.

Pastor Stephen Bohr grew up in Venezuela and Colombia where his parents served as missionaries. Because of his keen insight into the Bible and last-day events, he has received invitations to speak in such diverse places as Argentina, Australia, Alaska, Hawaii, New York, the Caribbean, Europe and Asia.
