

Online communication changes the face of property management

Released on: May 15, 2008, 1:57 pm

Press Release Author: **Gabriella Sannino**

Industry: [Real Estate](#)

Press Release Summary: Based in Tampa, the company provides management services for commercial buildings, condo associations, and beach rentals throughout Hillsborough, Pasco, and Pinellas counties. Through their online interface, Liu Property Management is able to maintain an unparalleled level of customer satisfaction through excellent, reliable communication.

Press Release Body: The firm specializes in commercial office and retail leasing, condo association management, and beach rentals in Tampa, St. Petersburg, Clearwater, Apollo Beach, Brandon, and Palm Harbor. In addition to successfully managing 5 million square feet of commercial space in the Bay Area, **Liu Property Management** also provides condo association management services that include both physical and financial oversight. They use powerful online marketing tools to lease property quickly and give clients the option of interacting with them through a private message board. This gives property owners 24-hour access to a real estate management professional. Associates and their expertise are just a click away.

Founded in 1992, **Liu Property Management** has maintained their high level of customer satisfaction through their dedication to providing continuous, consistent support and management. Offering

property management services across the Tampa Bay area, they continue seeking new ways to improve their clients' experience. Their personalized online service is only part of the reason why **Liu Property Management** is "**your permanent solution for all your property management needs**".

Company

Bio

Real estate professionals started **Liu Property Management** interested in providing owners with increased property values from a management service unique to the region. Our success is due to the dedication and performance of internal and external personnel associated with the company. Experience from talented individuals who showcase outstanding executive performance has been our foundation and competitive edge since it was established in 1992.

Accountability is also a core fundamental of our organization. It is our belief that owners depend on reliable information, and on those who are responsible for seeing that the level of service goes beyond what is promised. That is why **Liu Property Management** sees to it that communication along with prompt and effective action is promised to each client.
