Press Release Author: Professor Don Abrams/Hedge Publisher

Industry: [Financial](#)

**Press Release Summary: Grow From Middle-Class Poor to 'Zero Debt' to Rich in One Year. New free sequel, "The Profit-Taker Equalizer for the Underdog" reveals a proven strategy to grow rich - especially for late starters. It is a blueprint that awakens the self-actualizing quest to live long.**

The PROFIT-TAKER EQUALIZER for the UNDERDOG:

featuring

Prof. Smarba, Professor Emeritus of Finance

actualized by

**Prof. Don Abrams**, author/inventor of the international best-seller, The Profit-Taker: the Proven Rapid Money-Maker in Good and Bad Markets

Press Release Body: NEW YORK, N.Y. (August 31, 2008) – A top-ten best-selling financial author of **John Wiley & Sons**, New York, is raving mad. **John Wiley & Sons** is one of the largest and oldest publishers in the world, and the home of such early celebrated authors as Edgar Allan Poe (Tales), James Fenimore Cooper (The

Deerslayer), Washington Irving (The Legend of Sleepy Hollow) and Herman Melville (Moby Dick).

An inspired Wiley editor, Stephen Kippur, guided The Profit-Taker to the status of a listed international best-seller. Now he is president of John Wiley & Sons, publishers.

A richly deserved American success story.

Why is the international best-seller's sequel being given away?

The author/inventor, **Professor Don Abrams** and legendary **Professor Smarba, Professor Emeritus of Finance** are protesting against those who are igniting the free fall of the middle-class poor. The culprits? Those who are fuelling the fire of inflationary prices... from oil to food to textbooks to tuition. Not to mention these scrooge-like 'credit card interest' plunderers who constantly pursue our unfortunate victims. This is the naked truth. But truth without action is dead.

**Do Abrams and Smarba have a solution? Yes! Unequivocally.**

"We don't have turkeys to hand out, but it has to start somewhere. We recognize the debt we owe for the thunderous acclaim of the first book. To that end, we wish to set an example by being credible and responsible to our book-buying public. We have a reader friendly offer as a remedy. We wish to give back. It makes good marketing sense. It's good for the middle-class poor and for everyone."

So for the first time ever, the revolutionary and pre-published sequel to the international best-seller is being given away. Over seven years of work in its creation. Given away. Exactly so. Free! The follow-up, "The Profit-Taker Equalizer for the Underdog: Grow from Middle-Class Poor to 'Zero Debt' to Rich in One Year", is yours - with love.

During these troubled times of risky ventures and banking woes, the financial duo wish to unleash their refreshing, uplifting and unique concept...unencumbered by any cost to the reader, without any strings attached. Simply click on [www.profittaker.info](http://www.profittaker.info) and download the complete full-length manuscript copy of their 'news breaking book'.
