Released on: October 14, 2008, 5:18 am

Press Release Author: [Asian Airfares Group](#) - Travel

Industry: [Internet & Online](#)

Press Release Summary: AsianAirfares.com's innovative technology will simplify the task of researching, planning and booking processes for international leisure and [corporate travelers](#). (www.AsianAirfares.com/business.html)

Press Release Body: Internet is increasingly becoming the place where business travelers fulfill their travel needs. With competitively priced airfare and hotel accommodation, the internet travel service is replacing the traditional corporate travel agencies for price conscious business travelers. The cost benefits of going online are substantial. The cost of using a traditional travel agent ranges from \$20 to \$80 per trip. In comparison, booking a flight through **AsianAirfares.com** carries only a \$5 transaction fee. Our

airfares are normally 20% less than a traditional travel agent. We also offer even greater savings on Hotel or Flight + Hotel packages.

AsianAirlines.com Business Travel section is designed for companies of all sizes It provides numerous and useful resources for companies and corporate travel managers and Travelers. Its Intelligent Online Marketplace Engines aims to aggregate inventory from over 100,000 suppliers to give business travelers a single destination to plan and manage flights, car rentals, and hotel accommodations, as well as ancillary travel expenses such as shopping, dining, and event tickets.
