

BedroomPleasures reveals the sexy side to Halloween in the UK

Released on: October 29, 2008, 5:43 am

Press Release Author: [Bedroom Pleasures](#)

Industry: [Retail](#)

Press Release Summary: BedroomPleasures has reported increasing numbers of people celebrating Halloween with sexy costumes and an explosion in the number of Halloween related toys and lingerie being sold this year

Press Release Body: While most people think that Halloween is just about pumpkins and trick or treating, **BedroomPleasures.co.uk**, online sex toy retailer, has reported there are a growing number of people celebrating in an altogether different manner.

While Halloween has always been big in the USA, it has only really started to take off in the UK in the past two years. Compared with 2007, **BedroomPleasures** has noticed an explosion in the number of

Halloween related toys and lingerie being sold this year. **Rob Stevenson from BedroomPleasures** commented, "Our [Halloween lingerie](#) related sales have more than doubled from last year and it just seems to be growing and growing".

This year, more than ever, there seem to be more naughty ways to celebrate Halloween and with this in mind **BedroomPleasures.co.uk** has released a new range of Halloween inspired sex toys and lingerie. This latest range includes provocative outfits which can either be worn to a Halloween party or for more intimate playful dressing up for a partner in the bedroom.

BedroomPleasures has introduced over a dozen examples of naughty Halloween inspired attire for those looking to spice up this years' All Hallows' Eve, such as Red Devil, [Wicked Dark Fairy](#), Reversible Witch and Broomstick Babe costumes for women.

For men looking to make an entrance at a party there is the [Dr Rigamortis Costume](#), a simple yet stylishly handsome lab coat, styled with pockets and decorated with Coroner imagery on the back, or the Leg Avenue Prince of Darkness Costume. Each costume comes complete with a range of appropriate accessories such as hats, horns and tails.

As well as seeing an increase in the sales of themed lingerie and costumes, BedroomPleasures has also noted a rise in the popularity of their Glow In The Dark Cuffs and Funky Bondage Tape.

As an added treat to help entice customers to decide to splash out on a new costume, BedroomPleasures has also decided to introduce a 10% discount on all future orders.

About

BedroomPleasures.co.uk:
