Press Release Body:

According to the founder of one of the world's leading special dating services - this dating site for dog lovers [www.doglover.biz](http://www.doglover.biz) offers the best chance

for single dog lovers and dog owners to find true love. And he adds this is not an idle boast but based on the fact that this dog lovers dating site provides the most comprehensive range of matchmaking tools and unique content such as dog lovers stories and the latest news about dating and dogs for the pet lovers community worldwide. American singles represent the majority of its current membership (hardly surprising with an estimated 40 million single dog owners in America) as well as other English speaking countries such as Great Britain, Canada, Australia and New Zealand.

[www.doglover.biz](http://www.doglover.biz) was founded three years ago and was the first site to provide single dating services online for dog lovers. Since then it has carried out and continues to carry out improvements and additions to the features offered to its members in line with changes in technology that enhance members' experiences and the ability to find potential soul mates and establish a rapport with them.

**[DogLover.biz](http://DogLover.biz)** is a free to browse dating site (it only takes a few seconds to register) and enables dog lovers to upload their profile, browse other dog lovers' profiles and read the latest news and advice about dating and dogs. In addition it enables them to send flirts to other dog lovers and find out what's in store for them and their dogs with love horoscopes from Philip Garcia and daily horoscopes and weekly pet horoscopes from Russell Grant.

By taking advantage of the **[DogLover.biz](http://DogLover.biz)** free 7 day trial of Premium Membership, members can also contact other dog lovers not only by email but also by Instant Messaging, Private Chat Room, Forums and they can even create their own blog.

Premium Membership also enables members to post their own events whether that be dog related or otherwise. They can also obtain online dating tips from Master Certified Singles and Personal Life Coach Tonja Weimer, or they can put their behaviour training dog breeds questions to RSPCA dog trainer Rex Makemson. If members would like to understand their pet's personality or ask behaviour questions they can ask animal communicator Holly Davis. For veterinary help they can consult leading American veterinarian and award winning pet columnist for the San Francisco Chronicle - Dr Sophia Yin and if they would like the answer to pet health questions they can ask founder of Canine Health Concern and author of best selling books 'What Vets Don't Tell You about Vaccines' and 'Shock to the System' - Catherine O' Driscoll.

All members can choose to have e-mails sent to their email address each week containing the profiles of members who match their ideal partner and can upload not only their pictures to their own profile but videos and voice recordings too! Each member is given their very own homepage where they can find the profiles of their 'matches' and all the communication tools they need to make contact.

[Doglover.biz](http://www.doglover.biz) also offers members the opportunity to vote on various topical matters relating to both dogs and dating. Members can also send friendship requests to other members or their friends at the click of a button as well as use the 'tip a friend' feature when they spot a member they think might interest one of their friends!

Members can also indulge in one stop shopping by referring to the [DogLover.biz](http://www.doglover.biz) pet related services directory where they will find a variety of products and services for their four legged friends and dog friendly pubs, hotels and country cottages.

So with its comprehensive matchmaking tools and unique content for dog lovers Derek Collinson believes [DogLover.biz](http://www.doglover.biz) offers dog lovers the best possible chance to find true love and invites all dog lovers to accept a free 7 day trial of Premium Membership today. And who knows they might be sharing all their dog walks in future with someone who loves dogs as much as they do!
