The unique 'finish a sentence" contest to win a beautiful home in Oregon has been extended.

With the New Year this contest has been extended as per the rules and regulations for 120 days, and will end on April 30<sup>th</sup> 2009. The maximum number of entries is 3200 or whichever comes first. Hurry because this contest could be over at any time and you could miss your opportunity again.

Liliya and Andrey Vityukov who built their dream home in Salem in 2004 are now moving because of an employment opportunity and have put it on the market. The conventional methods of listing, using the internet, (FSOB) For Sale By Owner, and listing with a Realtor didn't seem to be working so the Vityukov's decided to hold a contest for the home, a BMW automobile, and three cash prizes.

If you have 5 minutes this is your chance to win one of the 5 prizes, including a \$595,000 house in Salem, Oregon or a 2002 BMW X-5 and 3 cash prizes; \$20,000, \$15,000 and \$10,000. An opportunity like this doesn't come around very often and some opportunities only show up once in a lifetime.

This is a unique contest. It isn't an essay contest; it is a "finish a sentence" contest. You only have to finish one; there are 35 to choose from, so pick the one you feel most comfortable with. If you choose to double your chances for \$50 more, then you pick two sentences to finish. This contest will allow you to enter as many entries as you want.

Examples of the sentences:  
My car ...  
My car cost a lot but I don't like it anymore.

My refrigerator..  
My refrigerator is beautiful and very cool.

The judges of the contest are every day honest folks. You have nothing to lose; all odds are in your favor 1 to 640, which is way better than a state lottery.

The Vityukov's have two small children and feel that not only can this contest change your life it can also change the lives of many children. The contest will send \$10,000 to the "Feed the children" foundation should the maximum number of entries be reached.
