Press Release Summary: WISE, which stands for Workplace Intercessory Support and Empowerment launches www.PrayForMyBusiness.com. WISE caters to spiritually-minded business owners and provides uniquely packaged support services to empower them for success in these lagging economic times.

Press Release Body: Austin, Texas – January 17, 2009 – In challenging economic times WISE (www.PrayForMyBusiness.com), "is the key to business success," says **Charles and Liz Robinson, founders of WISE Ministries International.**

WISE employs Spiritual Coaches that are trained in business and in hearing God. WISE also deploys trained Marketplace/Corporate Chaplains that can meet the spiritual needs of your employees on a regular basis.

WISE utilizes a 4-pronged approach in empowering and covering your business. First, **WISE** empowers businesses through the power of prayer. **WISE** intercessors are trained to see and hear what the Lord is saying for your business.

Secondly, **WISE** offers targeted prophetic guidance. *"The Holy Spirit gives us revelation and wisdom to help guide you in formulating and executing your plans. The Holy Spirit also reveals blockages or hindrances that may exist that if not known, would thwart your time, money and energy,"* adds **Charles**.

Thirdly, **WISE** deploys prayer shields or "hedges" of protection. *"We pray and surround you, your loved ones, your employees and your possessions with seven powerful shields of protection. We apply these shields over your mind, your emotions, your finances, your moral purity and over your physical body,"* adds **Liz**.

Fourthly, we identify the root cause of spiritual problems in your business. Many times there are spiritual causes for each of these concerns. **WISE** helps you get to the bottom of these problems. For example, have you ever asked yourself the following questions:

"Why does the direction we take in marketing on our own always seem to disappoint" or

"Why do our employees seem down or unmotivated lately?" or

"I tithe faithfully, but I am losing customers, why?" or

"Why don't we have the employee productivity that we need?"

In most instances, if you have asked yourself any of these questions and you are not seeing breakthrough in your business, then there might be a spiritual hindrance that needs to be removed. Once the obstacle is removed, then you can get on with your business.

You not only need to know how to unlock the hidden wealth in your business, but more importantly **WISE** assists in unlocking your true potential in Christ as His Marketplace Leader. God is concerned about you and your employees. **WISE** is now accepting new clients who understand the need to tap into God's supernatural knowledge, wisdom and direction during these tough economic times.
