This is the second CD released by Wealthy Wares and follows its initial release in Sept. 2008 titled Wealth of the Kingdom. Featured on the Seven Mountain Symphony are audio tracks of 3 to 10 minutes in length from 30 national Christian leaders in the marketplace and the nuclear church (including Bill Johnson, Rick Joyner, Os Hillman, Dr. Lance Wallnau, Bob Fraser, Kent Humphreys, Tamara Lowe, Rich Marshall, Dennis Peacocke, Dr. Pat Francis, Michael Pink, Bill Thomas, Dr. Che Ahn, Robert Henderson, Rick Heeren, Cindy Bond, Matt Gillogly, David van Koevering, Dr. Berin Gilfillan, Dr. Alistair Petrie, Doug Spada, Johnny Enlow, Jill Mitchell O'Brien, Dan Stratton, Kenneth Phillips, James Nesbit, Karrie Montgomery, Morris Ruddick, Jim and Rene Ballew, and Dr. Bruce Cook) addressing the seven mountains of culture (Media, Arts & Entertainment, Religion, Family, Government, Business, Education) plus the mountain of the Lord (Isa. 2:2/Transformation).

"Seven Mountain Symphony is a sound commissioned and inspired by Holy Spirit" said Darnell. "It is a symphonic ensemble of some of the leading voices of this generation — a sound the Lord has chosen to be released into the earth for this season to help effect transformation of culture as we know it and exalt the Mountain of the Lord (Isa. 2:2)"

"This historic CD set is more than a sound" added Darnell. "It is the voice of unity and harmony, a voice upon many waters, a voice of reformation. It is the voice of Jesus speaking through some of His chosen generals in this hour to release both revelation and impartation into the hearts and lives of those who will hear the sound of heaven contained within this symphonic ensemble"

Seven Mountain Symphony will also be available at the 2009 Kingdom Economic Yearly Summit (K.E.Y.S.) April 22-25 in Austin. "God is moving in a powerful way in the marketplace" said Cook, convener and host of K.E.Y.S. "What's happening is basically a marketplace reformation, and the global economic turmoil and shaking of economic systems has helped create a 'perfect storm' set of conditions for a global crisis of belief in the world's financial systems and institutions, whereby business men and women in great numbers are turning to God, re-discovering prayer and Biblical principles, choosing faith over fear, and re-examining their assumptions and beliefs about finances, investing, debt, retirement and stewardship"

Patterned loosely after the World Economic Forum, but with a Christian focus and perspective, K.E.Y.S. will feature a number of internationally-known keynote speakers such as Dr. Lance Wallnau, Dr. Pat Francis, Dr. Richard Blackaby, Dr. Mark Chironna, Dr. Bill

Hamon, Dr. Sharon Stone, Dr. Bruce Cook, Rick Joyner, David van Koevering, Dennis Peacock, Ken Beaudry, Morris Ruddick, Tamara Lowe, Gary Friesen, Lee Domingue, Mike Rovner, Dan Stratton, Arthur Burk, and others, and over 12 roundtable sessions dealing with business, finance, economics, ethics, sales and marketing, corporate strategy, philanthropy, wealth transfer, money management, and investing from a Christian perspective.

Venue for K.E.Y.S. will be PromiseLand Church; located near I-35 and Capital Plaza at 1504 E. 51st St. Schedule is 7:00 pm April 22nd and 9:00 a.m. to 10:00 p.m. daily April 23-25.
