Industry: [Education](#)

Culford School, a well known institution with an excellent reputation within the UK, will start its Summer Courses once again in July 2010. The courses include a 4 week summer school programme that is provided by Alexander's International on the grounds of one of the most impressive [summer schools England](#) has to offer. The courses bring students from all over the world to experience the state of the art in language learning and enjoy a beautiful setting.

The

courses

Students enrolled at the Culford School summer courses enjoy a minimum of

15 hours of weekly English tuition. Besides the standard language courses, all students also have an extra 6 to 9 hours per week devoted to tailormade content of their choosing. Culford students can choose from a wide variety of options to fill these extra hours and each option serves as a perfect complement for

the language courses. Students should make their choice for a personalized program at the time of enrolment. Those who haven't stated their preferred option will be directed to the Multi-Sport program, a student favourite for the past few years. This list contains all the options students can choose from at the time of enrolment:

Intensive English

Extra English classes with reduced groups. Classes focus on improving grammar, use of English, vocabulary and speaking skills.

English plus Multi-Sport

Daily rotation of several different indoor sports including: volleyball, squash, table tennis, badminton, aerobics, basketball, rock climbing and swimming.

English plus golf

Golf professionals serve as teachers in our grand golf range.

English plus swimming

Swimming lessons geared towards improving swimming technique for beginners.

English plus tennis

Professional coaches teach students in the courts. Enjoy weekly games and tournaments!

English plus Football

Football practise, focusing on both individual skills and group strategy.

English plus Art

Unleash your creative genius with several courses on drawing, painting, 3-D work and photography.

English plus Music & Drama

Music appreciation and execution of several instruments.

Find out more

This might be your chance to travel abroad and enjoy the adventure of discovering new places while you take your language skills to a new level.
