Premier Airport-Transfer Service Harmony Cars Expand Their Services To Paris & Israel And Gives You More Choice For Currency To Pay In

HARMONY CARS

LONDON'S FINEST CHAUFFEUR & LIMO SERVICE

Released on: February 11, 2010, 9:24 am Author: **Harmony Airport Transfers**

Industry: Travel

London, -- February 2010: Harmony Cars announce the extension of their services to cover Paris and Israel, offering clients more choice. They have also extended the currency in which to view and pay for their services to include the US. Dollar and the Euro.

Harmony Cars, already an established airport-transfer and chauffeur service provider in the UK are pleased to announce that they are expanding their expert services to two new destinations. 2010 will allow clients in both Paris (France) and Israel to take advantage of the same high quality, executive service that their current UK-based clients enjoy.

Paris - a city known for its elegant, ambient and thriving culture makes it one of the most loved cities in Europe. With famous landmarks such as the Eiffel Tower and the Arc D'Triumphe there are plenty of sites for tourists to see. Harmony Cars offers a service that will transport you in style and comfort to all of these destinations allowing you to take in the absorbing culture in a relaxed state of mind. Not only that but they will also transfer you from the airport to wherever it is you will be staying.

Israel – Also known as the 'Holy Land' offers its visitors a rich variety of historical sites as well as modern beach resorts meaning there is something for everyone. With Harmony Cars, you can expect a hassle and stress-free transfer service from Israel's main airport to a destination of your choice.

In addition to offering these new and exciting services, Harmony Cars have listened to their clients and have further improved their website to suit their needs. Harmony Cars give you the option to view prices in Euros (\mathcal{E}) or U.S. Dollars (\mathcal{E}) in addition to UK Pound Sterling (\mathcal{E}), allowing their clients from across the globe to easily establish the cost of their transfers with them. This new feature also ensures that their prices are even more competitive.
