*Proceeds from the 'Roundup for HOPE' Will Assist A Place of HOPE, a Charitable Healthcare Clinic and Emotional Trauma Center in Marble Falls*

Marble Falls, Texas (August 9th, 2010) – The Roundup for HOPE - a two-day cowboy music festival and chuck wagon cook-off - is coming to the 2,700 acre [Hidden Falls Adventure Park](#) in October. All proceeds from the events will benefit [A Place of HOPE](#), a charitable healthcare clinic and emotional trauma center located in Marble Falls.

On Saturday, October 23rd and Sunday, October 24th, authentic chuck wagons will circle around at the Hidden Falls Adventure Park for a chuck wagon cook-off. The festivities begin on Saturday at 11am when chuck wagon cooks compete against one another for the best food (cooked circa 1900 style) and most authentic chuck wagon. Judges associated with the [American Chuck Wagon Association](#) will judge the food's tastiness and evaluate the chuck wagons for authenticity. The public is invited to see how the old West was won and sample authentic chuck wagon food prepared in the same manner as our forefathers.

Live music and entertainment for the family will take place throughout the day. Saturday's musical guests include Texas's favorite son, [K.R.Wood](#), and other Central Texas favorites such as Pauline Reese, Mike Blakely, George Ensley, and more. Several food and craft

vendors will be onsite as well to provide food, drink, and activities.

Topping off the schedule is a Saturday night concert with celebrated Cowboy musical artist and headliner, [Michael Martin Murphy](#). This live concert begins at 7:30 pm.

On Sunday morning, beginning at 8:30am, visitors can enjoy an authentic Cowboy breakfast with eggs, sausage, biscuits and gravy.

Afterwards, Cowboy church will be held with cowboys and cowboy gospel singing coming together to create a unique Western worship experience.

"We couldn't be more excited to bring Michael Martin Murphy and the chuck wagon cook-off to the people of Central Texas. We are also pleased to announce that proceeds from all events – the chuck wagon cook-off, the Michael Martin Murphy concert, and the Cowboy breakfast – will benefit A Place of HOPE here in Marble Falls," said Dr. Brooks Blake of Marble Falls. "A Place of HOPE offers medical care and refuge to anyone who walks through its doors. By attending this event, not only are you getting great entertainment for the family, you are also helping those who can't afford healthcare."

"Many thanks to Dr. Blake, Jeff Sellers, K.R. Wood, Karen Jellison, the folks at Hidden Falls Adventure Park, and the volunteers at A Place of HOPE for organizing this event which will benefit our clinic," commented Pat Hancock, CEO and Founder of A Place of HOPE. "Our clinic operates primarily from donations and gifts from the community. We feel blessed to have the generous support of these donors."

Tickets for all events can be purchased at [www.roundupforhope.com](http://www.roundupforhope.com) or by visiting the Hidden Falls Adventure Park's website at [www.hiddenfallsadventurepark.com](http://www.hiddenfallsadventurepark.com).

**About Hidden Falls Adventure Park**

Hidden Falls Adventure Park is a 2,700 acre Family Outdoor Adventure Park nestled in the Texas Hill Country just east of Marble Falls, Texas. Hidden Falls Adventure Park is one of a kind park for outdoor and wildlife enthusiasts. The park offers a massive trail riding system for off-road vehicles including motorcycles, ATV's, UTV's and full size. In

addition, horseback, hike and bike trails are offered as well. A shooting club, Copperhead Creek, provides target practice and hunting for outdoor sportsmen.

### **About A Place of HOPE**

A Place of HOPE, a charitable healthcare clinic and an emotional trauma center, offers healthcare services to the citizens of the Highland Lakes communities. Founded on a word and a prayer in 2008, A Place of HOPE provides medical, pharmaceutical and emotional services to the unemployed or low-income people at little or no cost. In the emotional trauma center, individuals can receive healing and hope through Encouragers who see patients one on one and facilitate "Yes We Can" Encouragement Group classes. All services are provided through the generous support of volunteer health professionals and community volunteers and through community donations of funding, goods and services. Since April 2010, A Place of HOPE has provided medical care and services to more than 172 patients in the Highland Lakes area of Central Texas.
