Delray Beach, Florida, USA, October 15, 2010 : Green Planet Solution Corporation and its affiliate CaribPOP companies is a privately-held, leading provider of online resources and tools for consumers and organizations today announced the launch of www.CaribPOP.net, a next generation, user friendly dating and social network Web site.

Some of the new features CaribPOP.net offers compared to similar experiences are video clips, match finder and more. To demonstrate its unique benefits, CaribPOP.net is offering its first 100,000 members free dating and unlimited communication for one (1) year.

"CaribPOP.net provided members unique tools for members to find their match," said Herbert Schaffer, President/Founder of Green Planet

Solution. "We are also very excited about expanding our CaribPOP network of online sites to assist individuals around the globe in their daily activities."

Beyond CaribPOP.net, Green Planet Solution also offers the following online Web sites:

- CaribPOP.biz – Career Resource Center. Free Resume Posting w/Video & Photo. **2 Million Plus Jobs!**
- CaribPOP.tv – Entertainment site for Musicians, Artists' & Film makers.
- YapperPOP.com – Free Micro-blogging site for friends, groups, family.
