Deerfield Beach, FL – Florida [cosmetic gynecologist](#) Dr. Mark Scheinberg, a member of the [Ultimate Makeovers](#) Team, will participate in the Safewalk Run 5K on October 30th. The 12th annual Safewalk benefits Women in Distress, a non-profit group that provides safe shelter and critical services to families affected by domestic violence.

The event is timed and awards are given to top finishers as well as incentives for top fundraisers. All walkers and runners are asked to raise \$200; the walk's goal is to raise \$100,000. The event will be attended by the Miami Dolphin Cheerleaders and organizers expect more than 1,200 people to participate.

Dr. Scheinberg is running in the race and he has also helped to sponsor the event. **"At the Ultimate Makeover Team we want to use our resources to help less fortunate individuals and the community as a whole,"** said Dr. Scheinberg, a Florida cosmetic gynecology provider. **"Sponsoring the Safewalk helps to fulfill both goals."**

Dr. Scheinberg is part of the Ultimate Makeover Program, in which Florida's best doctors and health practitioners go beyond changing people's looks to transforming their lives. The Ultimate Team will help the less fortunate through community activism and fundraising corporate partnerships as well as through cosmetic procedures.

Each year the Ultimate Makeover Team will perform a makeover for a deserving member or members of the community at no cost to the participant. The makeover may include cosmetic dentistry, plastic surgery, laser eye surgery, and personal training. Makeover recipients will be chosen from local charities and the community. The Ultimate Team also helps through community activism and corporate partnerships to raise money for charity. This year's charity is Women in Distress.
