While Paris has no shortage of galleries and art exhibitions, this occasion stands head and shoulders above many of them thanks to the presence of a variety of international gallery representatives.

It has been running since 1997 and focuses on modern and contemporary photography from up to 100 different institutions around the world.

The event will be taking place from November 18th to 21st and is sure to entice plenty of enthusiasts to book a [hotel in Paris](#), so that they can attend the show and perhaps purchase a work of art.

Among the many exhibitors due to show off their prints to guests from accommodation such as the [Hotel Darcet Paris](#) will be several UK organisations, including Eric Franck Fine Art, Steidl and Phaidon.
