Mums always bear the brunt of ensuring that the family have a great Christmas but this year Butlins guarantees that the nations' mums have a great Christmas as well.

Imagine the excitement on your family's face as they walk into a true winter wonderland, created in the Skyline Pavilion at the heart of each resort, with the kids wide-eyed at the giant Christmas tree, magical lantern-lit horse drawn parade and Santa's Grotto where every child gets a gift. The whole family can soak up the atmosphere of the traditional Christmas market with adults enjoying a glass of mulled wine whilst everyone joins in the carol singing.

You'll never hear "I'm bored" as there are so many things to see and do as well as new things to experience throughout the Christmas and [New Year breaks](#). Kids can learn about animals at the Winter Farmyard where they get close to a real live Reindeer and Bjorn the polar bear and his many friends invite all the family to experience an indoor snowstorm. [Christmas breaks](#) wouldn't be the same without the seasonal pantomime where adults

can pretend to be children again – and nobody thinks anything of it!

Everyone loves to be beside the seaside no matter the weather. All the resorts, Bognor Regis, Minehead and Skegness, stand directly on the seafront so you can wrap up and enjoy a bracing family walk after all the festive food has been consumed. Or, if you prefer, just relax and be entertained at one of the many shows.
