Everbrighter financial Ltd. is pleased to announce the launch of its new website at www.ebfgroup.eu and hopes that this new interface will provide clients, both new and old, with all the information and help they require.

Everbrighter financial provides "turn-key" solutions of transfer agent, legal, EDGAR and other related services to public and private companies. We serve as Transfer Agent performing the functions of original issue, cancellation and reissuance of stock certificates and uncertificated shares. We are committed to delivering a complete package of products and services focused on today's technology but never losing sight that service is our first priority. Expect to receive prompt attention to your needs as well as those of your shareholders.

For more than 12 years Everbrighter financial has been an industry leading stock transfer agent, helping companies from around the world with their stock transfer and registrar needs. In all that time, we have never lost a client to dissatisfaction -- NEVER! With the new improved website we are determined to carry on with this tradition of excellence.

We are proud of this unequalled record of achievement and we remain dedicated to providing our clients with superlative stock transfer agent services. Everbrighter financial provides a complete array of worry-free corporate stock transfer and registrar services. Our professional stock

transfer agent staff will provide you with complete assistance with any corporate stock actions and guide you through any transfer of stock ownership.

Among stock transfer agents, Everbrighter financial stands out. The biggest difference between us and our competitors is our uncompromising dedication to providing unmatched service. When you experience the way we fulfill all of the needs that you, your company and your shareholders have, you will understand what we mean when we say service is what matters most.

The proof of our dedication to service is illustrated by the fact that in our 12 plus years, [Everbrighter financial](#) has never lost a client due to dissatisfaction!

Every time you call us, a real live human being will actually answer the phone in three rings or less! No more spending ten minutes winding through a voice mail system, just to leave a message for someone who isn't even there! Every member of Everbrighter financial will know you and be able to assist you.

We do not have the overhead of the mega-transfer agents and we pass the savings on to you. The efficiency of our expert [stock transfer](#) agent staff can also save you thousands of dollars as we help you eliminate costly mistakes.

Everbrighter financial has industry-leading technology and experienced professional [stock transfer agents](#) to help you administer stock options or transfer stock ownership and keep up with the status of your Corporate Actions including stock transfers at any time. We have developed our web services with the end user in mind.

24 hours a day, seven days a week, access for you and your shareholders is just a mouse click away
